Deposit Fee - \$1,000.00 Check #_ NR__ (refundable)

(Upon completion: destroy check ___ return check ___)

Date _____

I hereby request permission to construct an access approach to a public road maintained by the Filer Highway District at the following location(s).

I agree to construct the approach to the specifications of Filer Highway District. If a culvert pipe is required for right of way drainage purposes, I agree to install the size and length and type specified by the Filer Highway District. It is understood that the construction shall be at no cost to Filer Highway District.

Culvert pipe is required 12 inches by 30 feet CMP (minimum)

Only one entrance is allowed with this permit.

I also understand that there is a 50-foot right of way on the roadway maintained by Filer Highway District, or 25 feet from the center each direction. No permanent fixtures, landscaping, sprinklers, lawn, fence, or trees are allowed within the right of way to allow for maintenance of roads and storage of snow. **No concrete driveways are allowed within the right of way or in the utility easement.** Also, mailboxes are to be placed at a minimum of 8 feet from the edge of the asphalt towards the edge of the right of way. The Filer Highway District is not responsible for damage to mailboxes occurred during snow removal operations and that they are federal property and the homeowners. All mailboxes are to be installed to the Postmaster's specifications.
